ANNUAL REPORT FOR THE ACADEMIC YEAR 2018-2019.

I am glad to share the annual report for the academic year 2018-2019. The college has witnessed several developmental activities throughout the period.

A total number of 1551 students were admitted for all disciplines. We have conducted 9 add-on courses for enhancement of students knowledge and in which 1001 students participated. This enabled the students and the faculty members to enrich their subject competency and expertise in their desired discipline and for the growth of institution.

Mentor mentee system plays a vital role in grooming the students. They constantly facilitate and guide them to become a successful one. In order to see the progress in the performance of the students, we organize class committee and course committee meetings five times in a semester.

Students are encouraged for the enrollment of certificate courses. They are also encouraged to participate in seminars, symposiums, workshops etc. Students went for internships and did innovative projects as part of their curriculum. Nearly 10 workshops, seminars, seminars and conferences relating to research methodology, IPR, and entrepreneurship were conducted during the academic year 2018-2019.

Alumini students, parents, teachers and employers feedbacks are collected regularly for institutional development every year. In addition, advanced technical training, soft skill training, communication training, aptitude training, personality

development programmes, psychology-oriented programmes, and GATE training are also given to the students.

For effective learning, our college provides a library with a wide range of materials and a total of 15430 volumes of books, along with reputed national and international journals and magazines. DELNET, e-journals, and e-book facilities are also available to access the areas of engineering and research. Seminar halls, conference rooms, and common areas on campus are enabled with internet access.

The management encourages meritorious, sports-excellent, and economically down-trodden students by awarding scholarships at the time of admission in terms of fee waivers. Moreover 1322 students are benefited by various government and non-government scholarships. 1026 students were benefited with government scholarship of Rs.2.811Cr and 296 students were benefited with management scholarship of Rs.23.62 Lakhs.

The college provides a platform for each and every girl student to showcase their talent, organizational skills, and work in a team. Students gain exposure through supporting cells and clubs. Our college encourages co-curricular and extra-curricular activities for the holistic development of our students. Six students benefited from the guidance for competitive examinations and career counseling offered by the institution. Two students were placed at the State Bank of India.

In order to nurture patriotism in students mind, our college celebrates Independence Day, Republic Day every year. Fresher's day would be organized every year to welcome the first year students. To promote and cultivate the culture and tradition, our college organizes various celebrations like Onam, Pongal, and Diwali.

During the educational tour, students learn about the culture and traditions of other places, as well as about important art and architectural landmarks. Our students are regularly taken on various industrial visits.

In the academic year 2018-2019, the sports committee has encouraged the students to take part in various sports events at the college and intercollegiate levels. Our sports team outshined in all the games, won laurels for their distinguished performance and proved their success. More than 60 students have participated in various activities. Students won two awards this academic year for their outstanding performance in sports activities at the state level.

Our college is the only women's institution in Tamil Nadu offering Ph.D. programme. At present, 12 candidates are doing research at our research center. During this academic year, 119 full-time teachers were on duty. All the faculty members were encouraged to pursue doctoral degree and publish articles in reputed journals.

Faculty members are provided with financial support for attending conferences, workshops, etc. 63 faculty members attended various programmes with financial support of Rs.3.449 lakh in this academic year. The total of 89 teaching and non-teaching staff participated in faculty development programmes.

In this academic year, the grant received from government / non-government agencies for one research project is Rs.0.55 lakhs. A total of 20 books and research papers have been published in the journals notified on the UGC carelist during this academic year.
