ANNUAL REPORT FOR THE ACADEMIC YEAR 2019-2020

With pleasure, I present the annual report for the academic year 2019–20. Over the time, the college has seen a number of developmental initiatives.

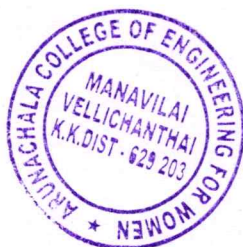

A total of 1535 students were admitted for all disciplines. We have conducted nine add-on courses for the enhancement of students knowledge, in which 952 students participated. This enabled the students and the faculty members to enrich their subject competency and expertise in their desired discipline and for the growth of the institution.

The mentor-mentee system plays a vital role in grooming the students. They constantly facilitate and guide them to success. In order to see the progress in the performance of the students, we organize class committee and course committee meetings five times in a semester.

Students are encouraged for the enrollment of certificate courses. They are also encouraged to participate in seminars, symposiums, and workshops. Students effectively went for internships and did innovative projects as part of their curriculum. Nearly 10 workshops, seminars, and conferences relating to research methodology, IPR, and entrepreneurship were conducted during the academic year 2019-2020.

In addition, advanced technical training, soft skill training, communication training, aptitude training, personality development programmes, psychology-oriented programmes, and GATE training are also given to the students.

Every year feedback is collected from Alumni students, parents, teachers, and employers.

For effective learning, our college provides a library with a wide range of materials and a total of 16538 volumes of books, along with reputed national and international journals and magazines. DELNET, e-journals, and e-book facilities are also available to access the areas of engineering and research. Seminar halls, conference rooms, and common areas on campus are enabled with internet access.

The management encourages meritorious, sports-excellent, and economically down-trodden students by means of awarding scholarships at the time of admission in terms of fee waivers. Moreover 1259 students are benefited by various government and non-government scholarships. 1000 students were benefited with government scholarship of Rs.2.776Cr and 259 students were benefited with management scholarship of Rs.23.33Lakhs.

Our college provides a platform for each and every girl student to showcase their talent, organizational skills, and work in a team. Students gain exposure through supporting cells and clubs. The college also encourages co-curricular and extra-curricular activities for the holistic development of the students. Students get benefited from the guidance for competitive examinations and career counseling offered by the institution. One of our students, Ms.Bargavi, got placed in the Bank of Maharashtra.

In order to nurture patriotism in students minds, our college celebrates Independence Day and Republic Day every year. Fresher's Day is organized every year to welcome our first-year students.

To promote and cultivate the culture and tradition, our college organizes various celebrations like Onam, Pongal, and Diwali. During the educational tour, students learn

about the culture and traditions of other places, as well as about important art and architectural landmarks. Our students are regularly taken on various industrial visits.

Sports have always been the strength of the institute. The performance of the students in all the games and sports was satisfactory. Our student won an award this academic year for her outstanding performance in the Girls State Level Chess Tournament. Our college is the only women's institution in Tamil Nadu offering a Ph.D. programme. At present, many candidates are doing research at our research center.

A total of 119 full-time faculties are on duty during the academic year 2019 – 2020. All the faculty members were encouraged to pursue a Doctoral Degree. Our faculty members published books under Arunachala and other publications. Our faculty members were encouraged to publish patents during this academic year. Faculty members are pursuing a Ph.D. programme at Anna University, Chennai.

Faculty members were provided with financial support for attending conferences, workshops, etc. 64 faculty members attended various programmes with financial support of Rs.3.399 lakhs in this academic year. A total of 100 teaching and non-teaching staff participated in various faculty development programmes.

The grant received for two research projects is Rs.1.14 lakhs from government/non-government agencies in this academic year.

Our college has been awarded the IET Pride on Campus Award by the Institution of Engineering and Technology.
