ANNUAL REPORT FOR THE ACADEMIC YEAR 2020-2021

I am glad to share the annual report for the academic year 2020-2021. The college has witnessed several developmental activities throughout the period.

A total number of 1446 students were admitted for all disciplines. We have conducted nine add-on courses for the enhancement of students knowledge, in which 1018 students participated. This enabled the students and the faculty members to enrich their subject competency and expertise in their desired discipline and for the growth of the institution.

The mentor-mentee system plays a vital role in grooming the students. They constantly facilitate and guide them to success. In order to see the progress in the performance of the students, we organize class committee and course committee meetings thrice in a semester

Students are encouraged for the enrolment of certificate courses. They are also encouraged to participate in seminars, symposiums, workshops etc. Students went for internships and did innovative projects as part of their curriculum. 10 workshops, seminars and conferences relating to research methodology, IPR, and entrepreneurship were conducted during the academic year 2020-2021. Alumni students, parents, teachers, and employers feedback is collected regularly for institutional development every year.

In addition, advanced technical training, soft skill training, communication training, aptitude training, personality development programmes, psychology-oriented programmes, and GATE training are also given to the students.

For effective learning, our college provides a library with a wide range of materials and a total of 16561 volumes of books, along with reputed national and international journals and magazines. DELNET, e-journals, and e-book facilities are also available to access the areas of engineering and research. Seminar halls, conference rooms, and common areas on campus are enabled with Wi-Fi access of 300 Mbps.

The Management has been encouraging meritorious, sports-excellent, and economically downtrodden students by means of awarding scholarships at the time of admission in terms of fee waiver. Moreover 1232 students are benefited by various government and non-government scholarships. 1003 students were benefited with government scholarship of Rs.2.704 Cr and 229 students were benefited with management scholarship of Rs.21.61 Lakhs.

Our college provides a platform for each and every girl student to showcase their talent, organizational skills, and work in a team. Students gain exposure through supporting cells and clubs. Our college encourages co-curricular and extra-curricular activities for the holistic development of our students. Six students benefited from the guidance for competitive examinations and career counselling offered by the institution. Among them, Ms J.Iswarya got a job in the Post Office, and Ms B.Parvathi got a job at the Union Bank of India.

In order to nurture patriotism in students minds, our college celebrates Independence Day and Republic Day every year. Fresher's day is organized every year to welcome our first year students.

To promote and cultivate the culture and tradition, our college organizes various celebrations like Onam, Pongal, and Diwali. During the educational tour, students learn about the culture and traditions of other places, as well as about important art and architectural landmarks. Our students are regularly taken on various industrial visits.

Sports have always been the strength of the institute. The academic year 2020-2021 was hit by the COVID pandemic. Since March 2020, colleges have remained close, and all activities were carried out actively online. However, sports did not become an event. This year, our student won an award for a cultural event for her outstanding performance in the national-level technical symposium.

Our college is the only women's institution in Tamil Nadu offering Ph.D. programme. At present, many candidates are doing research at this research centre. During this academic year, five members have successfully completed their research at our research centre.

A total of 114 full-time faculties were on duty during the academic year 2020-2021. All the faculty members were encouraged to pursue doctoral Degree. 12 of our faculty members published papers in reputed journals and also attended various faculty development programmes. Our faculty members published books under Arunachala and other publications.

Faculty members were provided with financial support for attending conferences, workshops, etc. 63 faculty members attended various programs with financial support of Rs. 3.343 lakh in this academic year. A total of 90 teaching and non-teaching staff participated in various faculty development programmes.

Grant received for 4 research project is Rs.2.125 lakhs from government and non-government agencies in this academic year.

Our college received the “IET KKLN PRIDE ON CAMPUS AWARD” during this academic year from the IET KANYAKUMARI LOCAL NETWORK AWARDS 2021.

The total number of students who appeared in the final semester examination was 476, and 476 students cleared the examination. Out of 476 students 22 achieved recognition and brought honours to the institution by securing ranks. A total of 393 students are placed in various companies, and 49 students are pursuing their higher education. We have signed MOUs with 2 renowned industries and organizations this academic year.
