ANNUAL REPORT FOR THE ACADEMIC YEAR 2021-2022

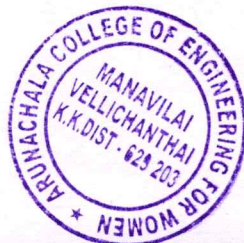

I am glad to share the annual report for the academic year 2021-2022. The college has witnessed several developmental activities throughout the period.

A total number of 1407 students were admitted for all disciplines during this academic year. We have conducted 10 add-on courses for enhancement of students knowledge and in which 936 students participated. This enabled the students and the faculty members to enrich their subject competency and expertise in their desired discipline and for the growth of the institution.

Our college has secured 2nd place out of 534 engineering colleges in Tamil Nadu. 22 students of the 2021 batch secured Anna University ranks, including 3 first ranks, and in the total number of ranks, we are first among all the women's and co-educational engineering colleges in Kanyakumari district. So far, we have secured 188 ranks, and in total, we are the first among all the women's engineering colleges in Tamil Nadu.

The mentor-mentee system plays a vital role in grooming the students. They constantly facilitate and guide the mentees to success. In order to see the progress in the performance of the students, we organize class committee and course committee meetings three times a semester.

Students are asked to enroll in certificate courses. They are also encouraged to participate in seminars, symposiums, workshops etc. Students went for internships and did innovative projects as part of their curriculum. 13 workshops, seminars and conferences relating to research methodology, IPR, and

entrepreneurship were conducted during the academic year 2021-2022. Alumni students, parents, teachers, and employers feedback is collected regularly for institutional development every year.

24 students are going to receive ISTE Award, and 6 students are going to receive the IET Award in the academic year 21-22. In this academic year, we started a new course, B.Tech.-Artificial Intelligence and Data Science, and also MBA.

In addition to that, advance technical training, soft skill training, communication training, aptitude training, personality development programme, psychology oriented programme and GATE Training are also given to the students.

For effective learning, our college provides a library with a wide range of materials and a total of 17330 volumes of books, along with reputed national and international journals and magazines. DELNET, e-journals, and e-book facilities are also available to access the areas of engineering and research. Seminar halls, conference rooms, and common areas on campus are enabled with Wi-Fi access at 300 Mbps.

Management has been encouraging the meritorious, sports excellent and economically downtrodden students by means of awarding scholarship at the time of admission in the terms of fee waving. Moreover 1173 students are benefited by various government and non-government scholarships. 997 students were benefited with government scholarship of Rs.25.586 Cr and 176 students were benefited with management scholarship of Rs.15.19 Lakhs.

Our college provides a platform for each and every girl student to showcase their talent, organizational skills, and work in a team. Students gain exposure through supporting cells and clubs. Our college encourages co-curricular and extra-curricular activities for the holistic development of our students. Students were benefited by the guidance for competitive examinations and career counselling offered by the institution.

In order to nurture patriotism in students minds, our college celebrates Independence Day and Republic Day every year. Fresher's Day is organized every year to welcome our first-year students.

To promote and cultivate the culture and tradition, our college organizes various celebrations like Onam, Pongal, and Diwali. The students learn about the culture and the tradition of other places and knowledge about the important monuments of art and architecture through the educational tour. Our students are regularly taken on various industrial visits.

Students participate in various sports and cultural events. Our sports team outshined in all the games, won laurels for their distinguished performance, and proved their success. Students had won 14 awards and medals in this academic year for their outstanding performance in sports and cultural activities at the state and national levels.

Our college is the only women's institution in Tamil Nadu offering Ph.D. programme. At present, 29 candidates are doing research at this research center. During this academic year, 25 faculty members are pursuing the Ph.D.
