To
The Director,
Center for Academic Courses,
Anna University,
Chennai.

Respected Sir,

Sub:Submission of 2022-2023 feedback from various stakeholders related to our curriculum and syllabus - Reg.

We are very much thankful to Anna University for considering most of our previous suggestions and incorporating them in the 2023-Regulation curriculum and syllabus.

We had taken feedback from various stakeholders (Students, Teachers, Alumni and Employers) of our Institution for enhancing the academic quality and identifying the gaps in the curriculum as per the current requirement. We have listed below the key suggestions related to curriculum and syllabus. We are very pleased to bring this to your kind notice for further actions and improvements.

Suggestions related to curriculum and syllabus:

1. Permit students to study a significant portion of the curriculum because the current regulation combines two different courses into one course, which is burdensome to students with abundant amount of syllabus.
2. Some of the topics mentioned in the syllabus cover the outdated technology so it would be useful if more latest technology is included.
3. Implement course like Universal Human Values, so that students practice Service Learning.
4. Existing Inter-University course permits students in low count. If the count is increased most of the students will make use of the opportunity.

Thanking You,

Dr.S.JOSEPH JAWHAR
